Dear Marian,

Thank you for raising vital funds to help us save lives.
Your support is hugely appreciated.

Thank you for all your fundraising efforts and donating a wonderful £4320 which you have very kindly raised in as part of your year as Durham County Ladies' Captain - an incredibly generous contribution.

The money you have raised will help us fund targeted research, provide expert information and support to patients and their families, educate the public and professionals about the disease and campaign for early diagnosis and access to best treatment and care.

Our vision is a future where nobody dies of bowel cancer but we can't achieve this alone. It's because of people like you that we can continue to help save lives and improve the quality of life of everyone affected by bowel cancer, so thank you for helping us achieve this.

If you would like any more information about our work, please don't hesitate to get in touch with us on 020 7940 1769 or email community@bowelcanceruk.org.uk. To keep up to date with our latest news and events follow us on twitter/Facebook @bowelcanceruk or visit bowelcanceruk.org.uk.

Thank you again for choosing to raise vital funds for us, we are truly grateful for your support.

With best wishes,

Michael Lynch
